# THE PUOI PROJECT

PUOI (Protezione Unita a Obiettivo Integrazione) is an Italian government project dedicated to facilitating the socio-occupational integration of foreign nationals who are under international protection as well as other vulnerable migrant groups. Run by the Italian Ministry of Labor and Social Policies, and implemented by Anpal Servizi S.p.a., the project involves employment services, reception system and companies in offering personalized integration pathways which include job orientation and other supplementary support measures, as well as the participation in a six-month internship. Each integration pathway is financed by an individual grant.
