BACSTATION: HOSTING 70 VULNERABLE MIGRANTS

Social integration through football

BARCELONACTUA BACSTATION PROGRAM

With the support of the Alcantara Family Foundation and Nomontu Foundation, we provide shelter for refugees and vulnerable migrants living on the streets of Barcelona, hosting them and developing an emancipation plan.

TRAINING FOR INCLUSION

Vulnerable migrants train once a week. Practicing sports is dignifying and empowering. It is an opportunity to mingle with Barcelona's residents and create a social support network.

SHELTER AND FOOTBALL ALLIANCE

The project is founded on integration principles that highlight the importance of the value of sports and how they can teach healthy community living values and teamwork.
